BIBLE SCHOOL Programme 2026

When the Bible is opened its pages reveal the greatest truths that we can ever discover. We are confronted with mortality but also eternity. Hope is revealed. We discover that we can have a future beyond the grave. We read absolute truths, truths that contrast with the half truths and deceptions of our present world. We read history but also find guidance for the present and we also are confronted with the great encouragements for the future life. We read of warnings and consequences, of right decisions and wrong decisions in human behaviour.

But supremely we are confronted with the Person of Jesus Christ who presents to all who read, a glorious Gospel, God's eternal plan, the architecture of hope. It is 'the power of God unto salvation.'

Directions

We meet on the third SATURDAY in the month at Scott's Project, 1-3 St.Peter's Row, Delarue Close, Shipbourne Rd, Tonbridge, Kent TN11 9NN 10:30-12 noon with a break of 15 minutes for refreshments. Car parking is available. Attendance is free with a voluntary offering.
